

## **Progetti, Homi and Maison&Objet Trust in 2014, export and growth**

**Progetti**, always present at the main Italian and international trade fairs, related to the furniture, design and complements fields, wants to give a sign of confidence for next year, attendance at first two fairs in 2014: the new born **HOMI** in Milan and **Maison & Objet** in Paris.

Two important presences, both commercial and communicative, that highlight the willingness of the company to grow in Italy and abroad, presenting itself as a leader in the creation of design clocks and cuckoo clocks.

Progetti, as evidenced by the new markets developed last year (Russia and Korea), which are added to our significant worldwide distribution already active, it has a very high percentage of export. It has, therefore, chosen as a partner for this expansion the new exhibition dedicated to the home and gifts in Milan and the Paris renowned stage.

**HOMI**  
IL NUOVO GRANDE MACEF

**HOMI** (Milan -Rho Fair , 19-22 January) choice for the innovative spirit, a fair dedicated to the person, his environment and habits, as are Progetti products that adapt to the styles and trends.

**MAISON  
&OBJET  
P A R I S**

**Maison & Objet** ( Paris , 24-28 January) is a return, an forefront appointment in line with developments in the market, an international exhibition related to special events in the city.

Both also develop new business strategies, involving traders and buyers from all over the world, are a showcase of taste and of global trends that are constantly and rapidly changing. The company will involve customers and develop new partnerships by offering a complete and renewed catalog paying attention to design and quality, a unique and recognizable symbol of Made in Italy.

Starts in January with a strong mark that will continue throughout the year with other significant events.
