

4stagioni

Design Alessia Gasperi

The cuckoo 4stagioni, elegant and discreet, with its four variants pays tribute to their seasons that take place during the year: the green brings to mind the spring, the leaves newborn in the trees, the buds of flowers, orange us accompanied, however, in hot summer season to spend on the seashore golden sand, time goes and we are in autumn with red, the intense color of the falling leaves and finally the light blue that brings us into the winter season, between the snow-capped mountains and waterfalls of ice make magic everywhere.

Made in wood, gives color to the wall without exceeding thanks to colors and rectangular shape with rounded corners. It 'an ideal object for both domestic and business contexts. In the upper part has been positioned the bird of the cuckoo, while, in the lower one the white hands of the clock. From the base, then exits the white pendulum.
